The mission of ASD is to create and strengthen healthy communities through the delivery of quality, affordable, service-enriched housing for individuals and families living with HIV/AIDS.

ASD's mission includes advocacy, education, and the development of affordable housing options and community development opportunities, both for its residents living with or impacted by HIV/AIDS, and for economically disadvantaged people.

AIDS Services of Dallas operates four special care facilities for Permanent Supportive Housing including medical case management, case management home care, food services and medical transportation.

in a SART (Sexual Assault Response Team) in collaboration with DARCC (Dallas Area Rape Crisis Center).

Transitional Housing Program

The purpose of the program is to provide a safe apartment for clients. While in the program, clients receive life skills training, counseling (as required) and may be eligible for additional training resources. Upon employment, the client is encouraged to establish a savings account that will help them achieve independence upon graduation.

Program stay is up to 24 months. During that time clients rent and utilities are paid by the agency.

An inpatient residential program funded by DSHS serving men and women with dual diagnosis (substance abuse issues and mental disorders) living with HIV.

Provides medical and substance abuse treatment, case management, mental health counseling, nutritional services, individual and group counseling, AA/NA support groups, MAT services when applicable and an alum group for program graduates. Residents voluntarily commit to a 60-day treatment program to promote new life skills and effective ways to manage HIV and their dual diagnosis issues. The program employs a nurse, a physician, licensed counselors, direct service technicians, 24-hour trained staff, and access to medical facilities. Also medical detoxification, intensive residential and outpatient programming for all clients.

Samaritan House provides supportive housing to persons experiencing homelessness and who have an HIV/AIDS diagnosis. The services of Samaritan House move residents towards a supportive environment that allows people to live as independently as possible.

Samaritan House (SRO)

Summary of Program: Our single-room occupancy (SRO) facility is a permanent housing environment for single men and women living with HIV/AIDS in a service enriched community of care providing 60 one-person units and supportive services. Applicants must be 18 years of age or older, living with HIV/AIDS, low income and homeless. All utilities are included in the rent.

Applicants are required to pay 30% of their annual adjusted income towards their rent.

HOPWA Program

Samaritan House is an independent housing program for singles, couples and families living with HIV/AIDS who choose to live in an independent residential setting. Applicants must be at least 18 years of age or older, living with HIV or AIDS, and/or homeless and low income. Applicants find and select their own units. Applicants are required to pay 30% of their annual adjusted income towards their rent.

The Prevention Medicine Clinic (PMC) of Tarrant County specializes in the care and treatment of people living with HIV. Your health depends not only on your physical condition, but your mental and emotional health. We will help you take charge of your life by encouraging you to take steps to stay healthy and enjoy living. We will answer questions and listen to any concerns you may have. It is the PMC's goal to help our clients keep themselves in the best of health.

PMC offers confidential education and counseling, on site laboratory, primary medical care, referrals for services needed, patient navigation and case management services.

B Positive HIV Engagement Women's Support Group

Virtual Meeting Held First and Third Wednesdays of the Month: 10 - 11:00 a.m.

Description: A group for women that help build a positive support network and act as a sounding board for topics such as: acceptance, HIV education, living with HIV, risk reduction, safe sex, taking ownership of healthcare and more. Come and participate to gain hope, reduce stress and increase self-understanding. The B+HIVe meets virtually every first and third Wednesday of the month. www.tarrantcounty.com/en/administration/staff/hiv-administrative-agency/hiv-aids-patient-education.html
